Wilbur Drybread's former National Western Champion

Three weeks remain for the Hereford Crossroads exhibit in Thedford. If you haven't seen it yet, it's worth the trip. One of the exhibits is the "King of Hereford Alley" – King Husker 1962, who was Nebraska's first Denver Champion bull. He was renamed in honor of the arrival of Bob Devaney in Nebraska, and was also featured in a two-page article in "Life" magazine.
