

Battle Mischief 7 & Pioneer

2020 Nebraska Hereford Bull Hall of Fame

Each year we honor a noted sire which has impacted the Hereford breed in a major way. This year two bulls shared that honor; both were foundation sires at the Pioneer Hereford Ranch at Merriman.

These bulls were [Battle Mischief 7](#) and [Pioneer](#), who shaped the breeding program of the late Ed Belsky. Belsky donated a large painting to the Crawford Hereford Breeders, done by Jack Sampson, Jr. of Alliance. which was displayed at the Gordon Livestock Market for many years. This replica was created from the original by Linda Teahon, and will be on display at the Sandhills Heritage Museum.
